

We are following all government guidance to keep customers & staff safe during this time. Please be patient and abide with all our procedures.

WHAT TO EXPECT WHEN YOU VISIT THE CAFÉ **Updated APRIL 2021**

The Café re-opens for OUTDOOR service only from Monday 12th April and we are looking forward to welcoming you all back.

We will be serving full menus for breakfast and lunch plus all our usual cakes and treats.

We encourage everyone to book in advance – please call on 01725 517248.

We can only accept groups of up to six people.

In line with Government requirements, all visitors over the age of 16 MUST provide a name and contact telephone number for NHS TRACK & TRACE purposes. Alternatively you may scan the NHS Track & Trace QR code at our Café. All details will be destroyed after 21 days. We reserve the right to refuse service to people who are not prepared to provide the required information.

Please ring the bell on arrival at the Café door and wait to be seated.

ONE member of your party should order and pay at the Café counter. Masks must be worn inside whilst ordering.

Please observe social distancing at all times and be considerate of other customers and staff.

We prefer to take card payments rather than cash please. Contactless payments are encouraged for payments under £45.

We will do our best to serve you quickly, but our Covid safe procedures mean that everything is taking longer than usual.

Many thanks for continuing to support us in these challenging times.
