

Welcome back to The Café

We are following all government guidance to keep customers & staff safe during this time. Please be patient and abide with all our new procedures.

WHAT TO EXPECT WHEN YOU VISIT THE CAFÉ

Where possible, please book your table in advance on 01725 517248.

We have plenty of outdoor seating with parasols in our beautiful Garden Room garden. Please wait at the gate and you will be shown to your table.

We have temporarily reduced the scale of our menu, to avoid any necessary delays at your table.

There will be a maximum of 6 people per table, and we ask that you do not move tables or chairs as these have been located to follow social distancing guidelines.

In line with government requirements, we must take a contact name and telephone number for everyone visiting our Café. We will retain your details for 21 days, after which they will be destroyed. This is to aid with the NHS Track & Trace Scheme.

We are taking card payments only.

We are serving all food and drink in recyclable/compostable disposable containers. Please place your containers in the bins provided when you have finished.

When you have chosen from the menu, ONE member of your group should go to the counter to order. Staff will advise you how to collect your food.

Please follow the designated routes at the Garden Centre, which are clearly signed and abide with social distancing requirements at all times.

Hot & cold drinks & snacks are also available from the Café entrance and can be enjoyed in the Café garden, off-site or on our lawns (NB no food permitted in Cranborne Manor Garden).
